

**268 Orchard Road Site Revisit -  
Redevelopment of Former Yen San Building**

**Saturday, 31st May 2014**

**9.30 am to 12.00 pm**

The project is a commercial development consist of 12 stories and basement with a gross floor area of 20,027m<sup>2</sup>. The building incorporates three large feature glass boxes supported on a tension framing structure. Hanging below the Box contains a series of simple span sections made up of the same profiles. The boxes consist of primary steelwork extruded stainless steel profiles. Lateral stability of the building is provided by the system of tensioned duplex stainless steel rods.
